<<As Christians we are called to manifest God's all-inclusive love. So we should seek out the poor, the vulnerable, the marginalized; we should have special care for those who are in distress, those suffering from depression or anxiety; we should care for the disabled and do all we can to promote their dignity and quality of life; we should be attentive to the needs of immigrants and asylum seekers in our midst; we should extend the hand of friendship to members of all faiths and none. That is the noble vocation of love and service that we have all received. >> from the Pope's speech to youth at Valletta waterfront.
