Title: PSD teachers at the Gozo College

Teachers concerned: (Ms) Karen Borg (ID 25279 G), Jacqueline Camilleri (ID 26379 G), Micheline Grech (ID 412094 M), Marcelle Mercieca (ID 2482 G), Dame Angie Portelli Galea (ID 24578 G), Karen Falzon (24978 G) and Mr Jeremy Vella 20079 G).

It is very much my pleasure and honour to have the opportunity to shower praises on each and every member of this group whose dedication, enthusiasm and professionalism knows no bounds. They are a model of how a team should work together for the good of our learners.

(In passing, I would like to reserve a special word of thanks and appreciation to Father Marian Zammit - who until very recently formed part of this group - who contributed enormously towards the building of this team spirit which distinguishes this group.)

The work carried out by these PSD teachers at school and classroom levels is lauded by all Heads of Schools. In addition , this group finds time to organize College-wide seminars for all our primary schools including Church schools. Here I am referring in particular to the regular, week-long seminars for Years 4, 5 and 6 pupils. Needless to say, these extremely well-organised seminars are very much appreciated by our schools and the whole Gozitan community. A regular feature of their activities is the publication of the very informative and well-presented PSD booklet which is distributed free-of-charge to all Year 6 students.

I am very conscious of constantly using the superlative. This is the least I can do to pay tribute to this group of dedicated professionals who, day in day out, make the Gozo College and the whole Gozitan community very, very proud.
