This will be a whole-day event with students not attending schools on the day. During this meeting, teachers will be grouped into workshops to discuss salient themes and areas presented in the NCF.

Primary Schools' teaching personnel and peripatetic staff will be meeting on 31st October between 8.30 and 14.30, VENUE; GC Boys' Secondary, main auditorium on uppermost floor.

Both **Secondary Schools'** teaching personnel will be having their discussion on 4 November, VENUE: GC Boys' Secondary, main auditorium on uppermost floor.

More details about how groups will be established will be given in due course. Your ideas are also most welcome.

Thanks for your attention.
