PROFESSIONAL DEVELOPMENT SESSIONS

TOPIC CHOSEN:

Sustainable Development across the Curriculum

CONTEXT (or reason/s for choosing the topic)

- Very topical and
- Very much in line with the Eco-Gozo vision

AIMS AND OBJECTIVES

(overarching aim):

- to make all teaching staff ever more aware of the educational value of sustainable development (sd);

(main objectives)

- To explore the main areas that comprise sustainable development;
- To suggest and discuss how sd can be incorporated in the different subject areas;
- To link the concept to the whole vision of Eco-Gozo

CONTENT (indicate phases of programme briefly)

Time	Activity	Brief description of what will be happening
14.45 – 15.00	Introduction	College Principal introduces speaker and outlines aims, objectives and outcomes of the session
15.00 – 15.30	Awareness session	<ul style="list-style-type: none"> • Distribution of short questionnaire to be discussed in small groups; • Reporting back
15.30 – 16.30	Input by Animator	Animator explores the topic in detail from various angles through a power point presentation.
16.30 – 16.45 -	Question time Final comments by animator and College Principal	Questions from participants

EXPECTED BENEFITS / OUTCOMES FOR THE SCHOOL COMMUNITY

- Better understanding of the term sustainable development and its implications;
- SMT and teaching staff in a better position to appreciate the educational value of sustainable development;

- Better integration of the different facets of sd in the different areas of study;
- SMT and teaching staff in a better and more informed position to link and thus propagate the Eco-Gozo vision of sustainable development.
